Points of Interest

View #1: Bridge

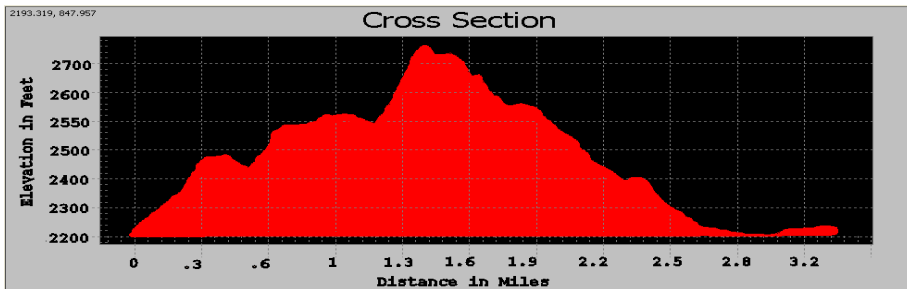

View #2: Picnic Table

History: 440 acres were donated by citizens in the 1920's to the State for this park.. The county took over in the early 1980's. Back Country Horsemen maintained it for forestry contests, archery and horseback riding. Volunteers including school and church groups and a jail crew improved trails in the 2000's and named the trails mostly for plants. Veronica's Prom trail got its name from a purple prom dress found in a tree.

Cautions:

The closer trails are on gentle slopes but Big Sky Loop and related trails climb over 500 feet. Terrain varies greatly on the longer trails.
