Sherlock Peak Trailhead

History:

Sherlock Peak is probably named after Thomas Sherlock whose family lived near Cummins, a ghost town along the Aladdin Road. The Keystone mine was one of several lead, zinc and silver mines along Silver Creek. The Electric point mine in this mining district was the largest lead producer in Washington State in 1918.

Cautions:

Be prepared for changes in weather. Large animals may be encountered on this trail. Bring layered clothing, contour maps, survival kit and ample food and water. Treat water.
