

Access:

From Hwy 2 and the Idaho/Washington State line drive east .4 miles. Turn left onto LeClerc Rd South and drive 2.8 miles to Bead Lake Rd. Turn right and drive 1.1 miles. Turn left into Pioneer Park. The trail is on the south end of the park.

Points of Interest

nok•OSH•kol Trail Sign

Camas Oven Interpretive Sign

History:

This was an encampment for indigenous people for a long time (thousands of years), and the camas ovens that are still there prove that. David Thompson, the first documented fir trader in Washington, probably was there and the Jesuits first tried to start a mission just east of there, but it didn't work out.

Cautions:

Be prepared for changes in weather. Surface water should be treated.

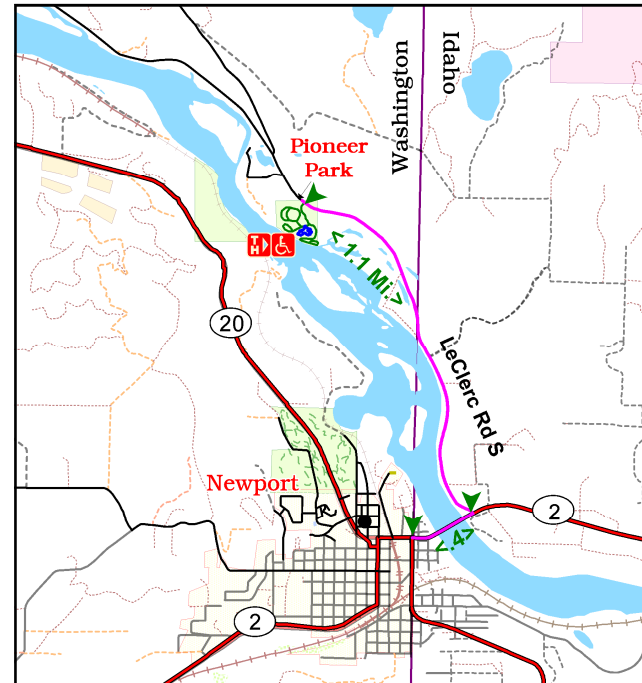

Pioneer Park Trail #321
