

## Access from the West:

From Republic, take highway 20 east for approximately 12 miles. Turn left onto forest road 2040 (Karamip Road). Follow forest road 2040 for 3 miles and turn right onto forest road 2040-065. Follow this road approximately 2 miles to the trailhead which will be a wide parking area on your left.

## Points of Interest

View #1: Near Jungle Hill

## History:

The Columbia Mt lookout, like most of the lookout towers in the Kettle Range was constructed by the CCC during the depression. Only the cabin remains. Early roads crossed north of today's Sherman Pass and some are used as trails today.

## Cautions:

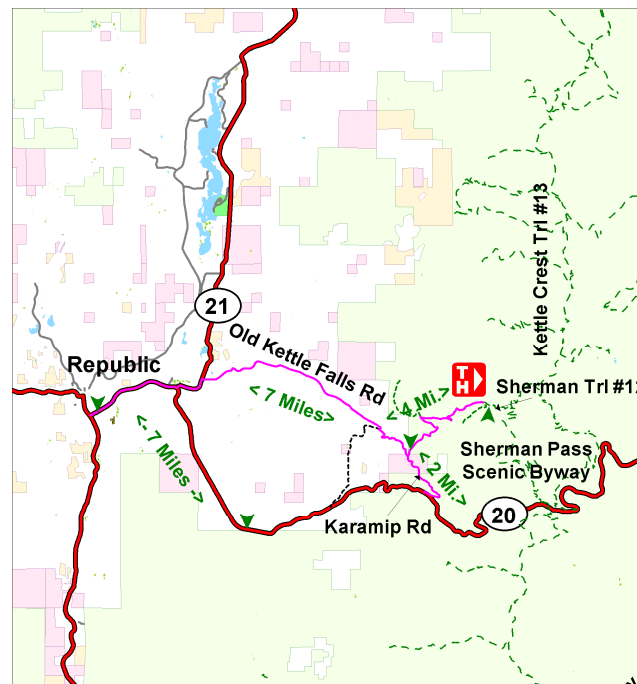

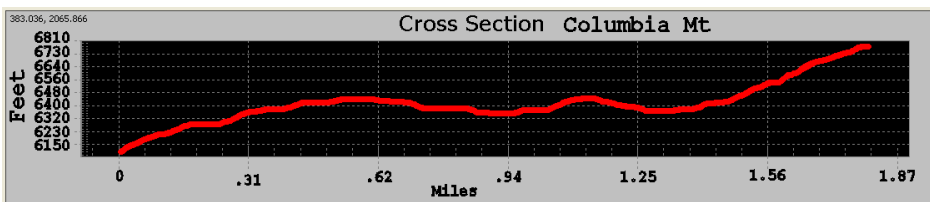

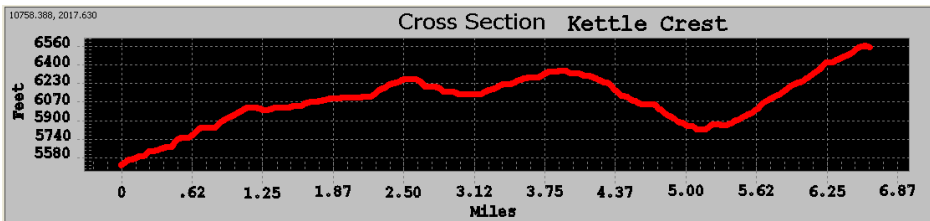

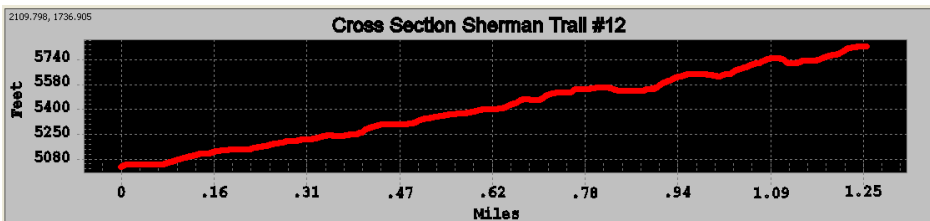

Treat surface water before drinking. Prepare for all weather. No facilities and limited parking.

## Columbia Mountain Trail #24, Sherman Trail #12 Kettle Crest Trail #13 to Jungle Hill

Characteristics	#13	#24	#12
Elevation at Trailhead	5550 ft	6150 ft	5040
Highest Point	6075 ft	6720	5760
Elevation Change	525 ft	570	720
Length	1.6 Miles	2.3 Miles	1.3 Miles
Difficulty	More Difficult	Easy	Medium
Season	Spring, Summer, Fall, Winter		

## Description:

This western part of the loop is a great day hike. The lookout on top of Columbia Mt has just been restored. There are several places to find water along the first stretch of the Kettle Crest North Trail #13. Great views in all directions.

Emergency phone number: 911

## History:

Sherman Pass Highway was built by the CCC during the Depression. Most of the workers were from the East and Mid-West. They stayed at Camp Growden (between mile marker 331 and 332 on the way up to the pass from Kettle Falls). On weekends many of the crew would go down to Old Kettle Falls, now the Locust Grove area of the Lake Roosevelt National Park, where local families would put them up for the night.

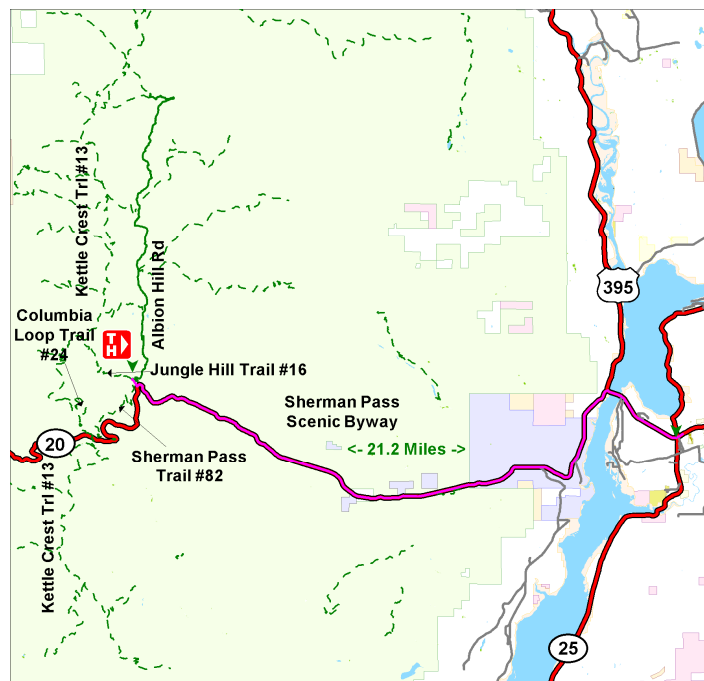

## Sherman Pass Trail #82, Jungle Hill Trail #16

Characteristics	#82	#16
Elevation at Trailhead	4270 ft	4270 ft
Highest Point	5240 ft	6550 ft
Elevation Change	970 1ft	2280 ft
Length	5.7 Miles	3.5 Miles
Difficulty	More Difficult	More Difficult
Season	Spring, Summer, Fall, Winter	

## Description:

This is a popular route for mountain bikers and hikers because you can camp at either the Sherman Pass Overlook or the Jungle Hill Trailhead and make a complete loop around Jungle Hill and Columbia Mountain. Jungle Hill is a steep climb with no natural water until it meets the Kettle Crest.

Emergency phone number: 911
